Lead Plaintiff Sing Pui Leung ("Leung") and Defendants Logitech International S.A., Gerald P. Quindlen and Erik Bardman hereby jointly seek entry of the following proposed schedule, and as grounds therefor state as follows:

On October 24, 2011, the parties submitted a Stipulation and [Proposed] Consolidation Order (Dkt. No. 22) ("Stipulation") establishing deadlines for filing a consolidated complaint in this action, briefing any motion directed at the pleadings, and addressing other matters pursuant to Civil L.R. 23-1(b). At the October 27, 2011 hearing on Leung's motion seeking appointment as the lead plaintiff in this action, the Court indicated it had reviewed and would approve the Stipulation. The Court has not yet entered the Stipulation.

Under the Stipulation, Lead Plaintiff's consolidated complaint would be due to be filed on December 27, 2011, which is 60 days after entry of the Court's order appointing Leung as the lead plaintiff for this action. *See* Stipulation, ¶11; Dkt. No. 26. Due to the departure of one of the attorneys handling this matter on behalf of Lead Counsel, and other staffing disruptions caused by the holidays, Lead Counsel, with the approval of the Lead Plaintiff, has sought Defendants' agreement to a brief extension of the filing deadline, to which they have agreed. Accordingly, the parties hereby submit a revised schedule which modifies ¶11 of the prior Stipulation to establish a January 9, 2012 deadline for Lead Plaintiff to file a consolidated complaint.

THEREFORE, it is hereby stipulated by the parties, subject to the approval of the Court, that Lead Plaintiff shall file a consolidated complaint on or before January 9, 2012. The consolidated complaint shall be the operative complaint and shall supersede all complaints filed in this action. Defendants shall respond to the consolidated complaint within sixty (60) days after service. If defendants file any motions directed at the consolidated complaint, the opposition and reply briefs shall be filed within 60 days and 30 days, respectively, of that response.
